

Christies 5k fun run - Birchwood Forest Park 18-Jul-2003

This was another in the series of occasional fun runs in the Birchwood Forest Park. Many thanks to all the marshals and assistants with the entry forms and time keepers, and of course to the runners. The funds raised from the entry fees were £310 and with sponsorship from Tariq Hussain of around £126, we raised £436.

Please note that this is an accurately measured 5k course, unless you took the detour via the duckboards!
