

Wigan & Leigh Hospice 5k fun run - Birchwood Forest Park 21-Sep-2007

This was another in the series of occasional fun runs in Birchwood Forest Park. The run was organised by Julian Spencer and friends & work colleagues (please note that this is not a Spectrum Striders race). All proceeds from the run are going to support the work of Wigan & Leigh Hospice. The total money donated is £330.

Many thanks to the organisers, marshals & finish recorders who gave their time and who stood out in the wind and heavy rain for the runners. Also, thanks & well done to all the runners who braved the weather.
