

“Ethan's Journey” 5k fun run - Birchwood Forest Park 18-Apr-2008

This was another in the series of occasional fun runs in Birchwood Forest Park. The run was organised by Albert De Jong, Julian Spencer and friends & work colleagues (please note that this is not a Spectrum Striders race).

All proceeds from the run are going to support the charity "Ethan's Journey". The total amount raised from the run was **£500**, which will generously be matched by Vodafone Warrington, making a total of **£1000** !

Many thanks to the organisers, marshals & finish recorders who gave their time and who stood out in the cold for the runners. Also, thanks & well done to all the runners.
