It didn't matter who won, it was just funny to watch - and hilarious to take part in!! (but Lynn's son was most remarkable in the backwards running leg!!)

This, the ninth annual track meeting, was almost marred by bad weather. Twelve of us crowded into the tent at twelve o'clock as it poured down . Miraculously it stopped raining as everyone arrived - and kept dry through -out the afternoon.

It turned into yet another brilliant day - the competition was hard, a lot of new faces were seen, and the kids were, as usual, up-lifting and entertaining. Julian rounded it off with another superb barbeque - and then I went home to watch the World Cup Final - what a day!!

Thanks to Sue, Mary and Ron for doing the positions and the times, well done everyone who took part.

See you all next year!

Andy Garnett
